

Return slip - please write legibly and clearly!

Would you like to return one or more items from the order?

- For faster processing, please enclose this slip with the return
- Here you can note your request for an exchange (tick the box and name the new item number) or your request for a return.
- The return can be arranged by you, but also by us.
- Please do not send the goods freight collect and without insurance.
- The return costs are at your own expense.
- The packaging must correspond to the content of the shipment and protect it against the stresses that it is normally exposed to during shipment (e.g. due to pressure, shock, falling, vibration or temperature influences).
